Made-to-order Custom Belt Buckles - Almost Any Designs, Logos & Colors

Our custom belt buckles are simply the best you can get. We are the largest online custom buckle store. We manufacture buckles for men, western belt buckles, cowboy buckles, silver belt buckles – you get the idea.

We have produced brass military buckles for troops, marines, and government. Diecast buckles for corporations, and really cool buckles for motorcycle clubs, running events, individuals, fundraisers, events, and fortune 500 companies.

Our belt buckles are custom made specifically for you: Your logo, your event, your design, your color, your size and color. Gold, silver, antique buckles, die-cast, die-struck, brass – any buckle you can imagine!

Our talented buckle design department can help you with artwork and will create a unique custom buckle design for all your needs.

You will be blown away at how inexpensive our custom buckles are priced, and how quickly we produce them. We pride ourselves on our ability to quickly bring our customer ideas to reality, and we always ship them on time. We can often deliver finished buckles when our competition is still working on artwork.

We have global sources who are belt buckle experts that understand what makes a great custom buckle. That's because they themselves have spent time in the military, on the road with rock bands, and are buckle wearers themselves. If you are not exactly sure what you want to do, we can help by drawing on our many years of experience in the business.

Custom Antique Finish Belt Buckles - We Make Your Design

- Get your logo and design in metal. Custom made the way you want. Big or small. Almost any shape is possible.
- Perfect buckles for clubs, events, military units, sports teams, school groups, and fund raising
- One of our most popular styles - antiqued finish with it's blackened background and a hand polished raised surface to give maximum contrast to all of your designs
- We have made hundreds of thousands of these buckles - they are that popular!
- We can finish in Antique Gold, Antique Silver and Antique Copper
- If you want something a bit more 'shiny', we also offer Bright Gold look and Bright Silver.
- This type of product does not have any set-up or die charges on orders over 100 pieces.
- Minimum quantities start at the very low 25 piece mark.
- Typical delivery is only about 3 to 4 weeks.
- Please also see our lines of Bright, Pewter, 3D, and Color Custom Buckles.
- To get started, Give us some details of what you would like, and we'll get you a quote!
